

**UNIVERSITY OF CAMBRIDGE
DEPARTMENT OF VETERINARY MEDICINE
SMALL ANIMAL STAFF SURGEON (ORTHOPAEDIC SURGERY)
(ADOPTION LEAVE COVER)**

Stipend scale £36,862 - £46,696

Limit of tenure: One year or return of the postholder

We require a full-time Small Animal Staff Surgeon with experience in orthopaedic surgery to join the surgical team in the Queen's Veterinary School Hospital from 1 April 2012 or as soon as possible thereafter. You will take shared responsibility for small animal surgery services to the Department. Participation in the practical and theoretical instruction of veterinary students and the training of the Clinical Training Scholars will form part of the role. You will benefit from the wide-ranging facilities within the Small Animal Hospital, including a strong team of support staff. You should have at least 36 months' experience in a Small Animal Hospital environment, have attained or be eligible to sit the examination for the Diploma of the European or American College of Veterinary Surgery or RCVS Diploma in Small Animal Surgery, and have a veterinary degree registerable with the Royal College of Veterinary Surgeons.
