**Prevent Module 5 - A Student and Staff Wellbeing Issue** is not mandatory but for those staff members directly involved with staff and students would be good practice and informative.

## Festival of Wellbeing

The Festival of Wellbeing returns this year starting on 26<sup>th</sup> June 2017 for 2 weeks. The full programme of events is not yet available, however should be very soon. It will be posted on the below link:

We strongly encourage you to participate in the fantastic opportunities to attend talks, have tours of various University sites and even try some new exercise classes!

## Walking Club

We will be going on a walk on Thursdays (starting 8<sup>th</sup> June 2017) at 13:30pm for half an hour. We will meet in the Department Reception. This is a great way to get some fresh air and have the opportunity to socialise with your colleagues. We look forward to seeing you!

A gentle reminder that **all** room booking requests now need to be sent to [roombooking@vet.cam.ac.uk](mailto:roombooking@vet.cam.ac.uk) For urgent requests, Melissa Large or Emma Deans can be contacted on their direct dials.
