Staff News

Siobhan Barnes and her husband Sam are proud parents of George Samuel. He was born on 11th October 2017. Both mother and baby are doing well.

World Mental Health Day

On the 10th October 2017 the Department held its first event to recognise World Mental Health Day.

The event was extremely well attended by members of the Department, and lots of cake and cups of tea were consumed!

James Wood and Richard Whitelock played a fantastic “Mary Berry” and “Paul Hollywood” and took the cake judging competition very seriously. A big congratulations to the winners: Michelle Pittas and Fiona Roby for their fantastic bakes!

Overall we raised an amazing £250 for the Mental Health Foundation.

Thank you to all those people who made cakes and for everyone who came along to support the event and donate money for such a worthwhile cause.

It would be fantastic if we were able to do more events like this in the future and would very much encourage anyone wishing to get involved to contact the HR team.

If anyone would like any of the information or leaflets that were displayed on the day about a variety of topics relating to mental health please let us know.

A few pictures from the event:

IF YOU WOULD LIKE MORE INFORMATION PLEASE CONTACT THE HR DEPARTMENT

1 in 4 people will experience a mental health problem

Mindfulness originates in Buddhism, but being mindful is a skill that anyone can learn. You do not have to be spiritual, or have any particular beliefs, to try it.
